

August 11, 2013

Dear Families and Friends,

The second grade team wants to thank each of you for this incredible opportunity to be a part of your child's lives. The beginning of school is right around the corner and your teachers are SO excited to see all of you. This year, the second grade will be led by Ms. Polly Logan and Mrs. Jenny Tennant.

We welcome Ms. Logan! She is a native Californian and taught there for 16 years and the past 6 years teaching in Southwestern Idaho schools. Ms. Logan has two grown sons, two lovely daughter-in-laws, and three adorable grandchildren. She lives with Pete, her miniature Australian Shepherd, who very well may be the most spoiled dog on the planet! Ms. Logan and Mrs. Tennant share 46 years of teaching experience! Get ready!!!

**Back to School Night (B2SN)** is on **Thursday, August 15<sup>th</sup> from 5-7pm**. Your classrooms are H127 and H129, at the end of the wing nearest the playground. This is the perfect time to come and meet your new teacher, check out your new classroom, sign-up for Assessment Day (September 3<sup>rd</sup>), fill out the Vital Information Sheet, get your locker assignment, sign the volunteer signup sheet, and drop off your shared school supplies.

Any information you will need for any upcoming events, after-school pick-ups, school supplies, classroom wish lists or teacher biographies can be found at our website at [STEM2lab.weebly.com](http://STEM2lab.weebly.com).

Serving You,

Ms. Polly Logan
